HAPPY BIRTHDAY

AMERICA

. . . AND 200 MORE!

This surprise dedication is to Mrs. Jeanine Hewett who is the unanimous choice of the staff for dedication. Mrs. Hewett, alias, "Miz Hoot" and "Hubert", has left her imprint on the hearts of the staff with her loving and affection daily salutations. Each day, she greets her Journalism staff, "Don't ever say you don't have anything to do... Work, work, work, faster!...Do you think we're gonna make it?" She handles all situations diplomatically. "I'm just gonna have to talk to that 'Huzzy'." She is a good judge of fine work. "It stinks...Ex, wrong!...

Wonderful!

The annual staff wanted to show Mrs. He their appreciation through this dedicatio

KHS STEPPENCATS — Chicks With Kicks!

The 1975-1976 Drill Team, under the direction of Phyllis Biondi, Debbie Strickland and Cindy Babbitt, had many performances during the 1975 football season.

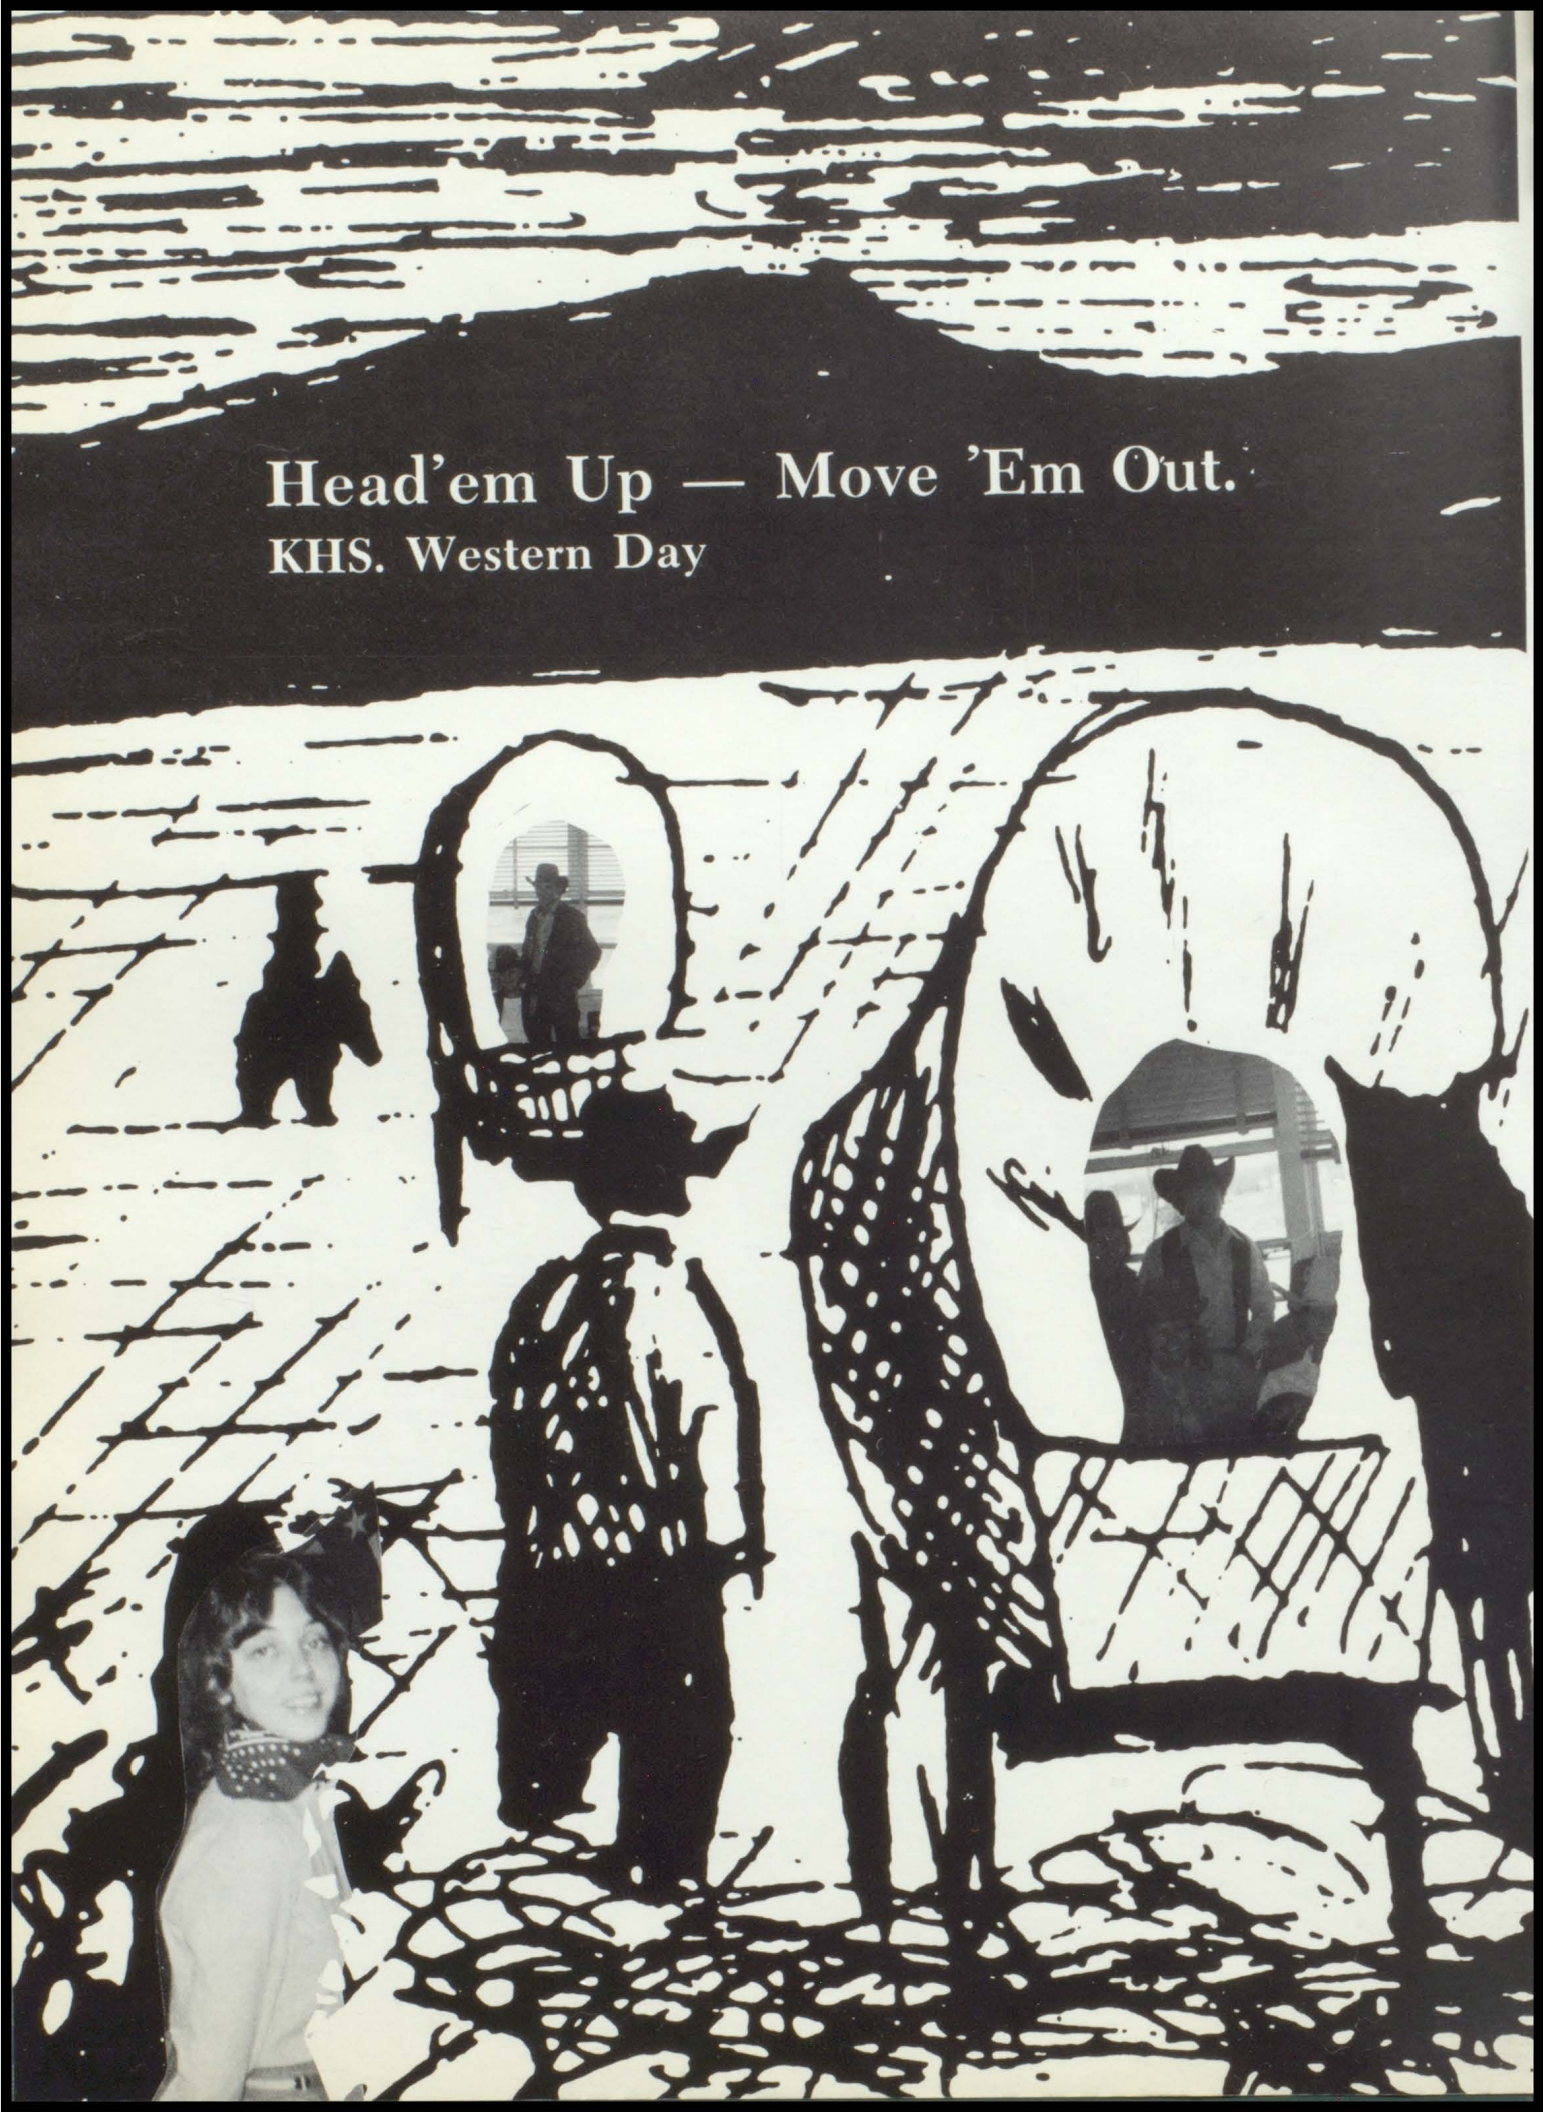

Among their many halftime shows, they also performed at pep rallies and did special numbers.

ATHLETICS

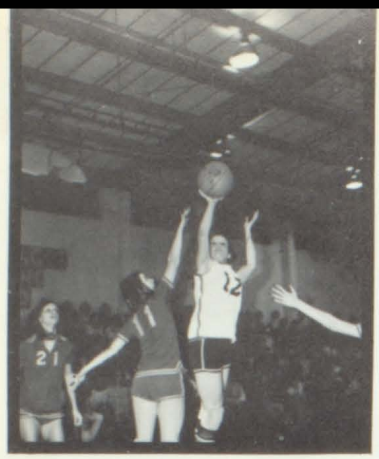

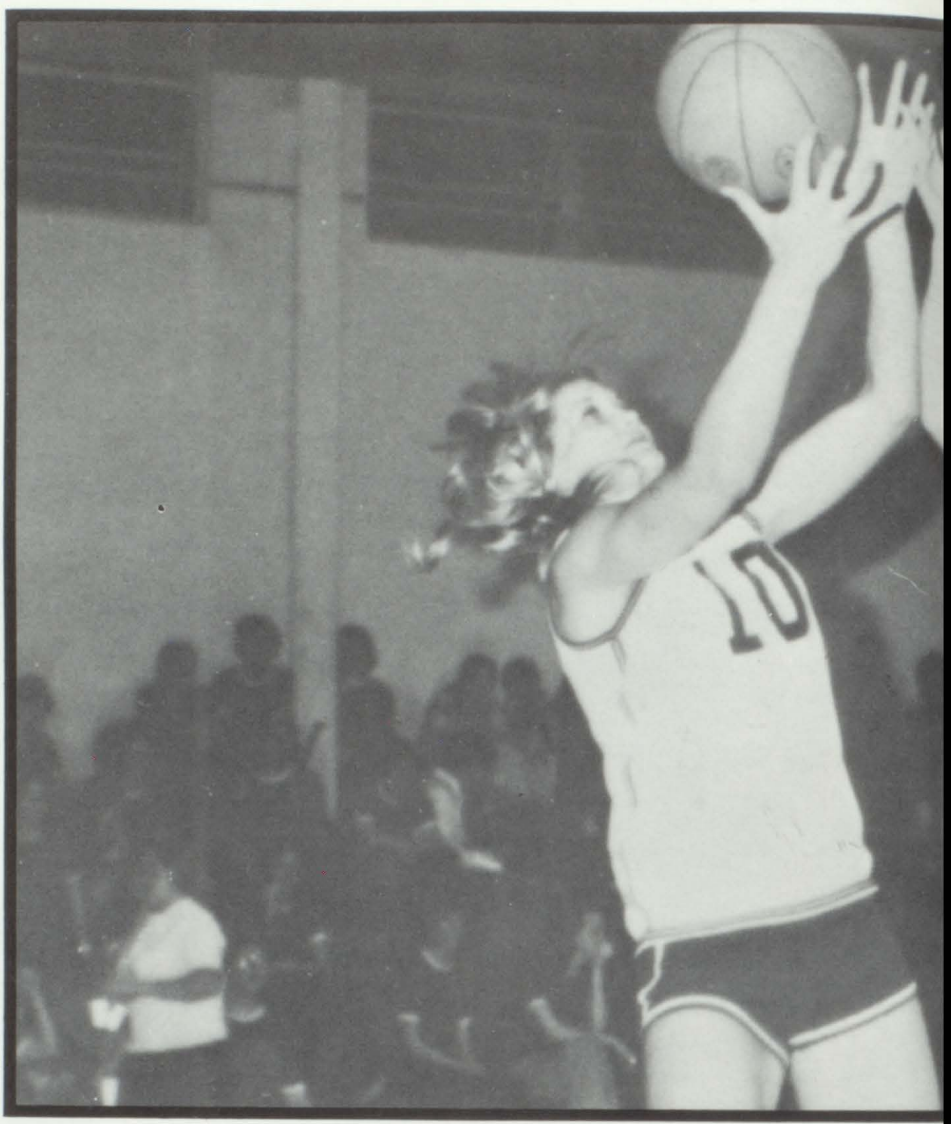

District
Athletic High Lights

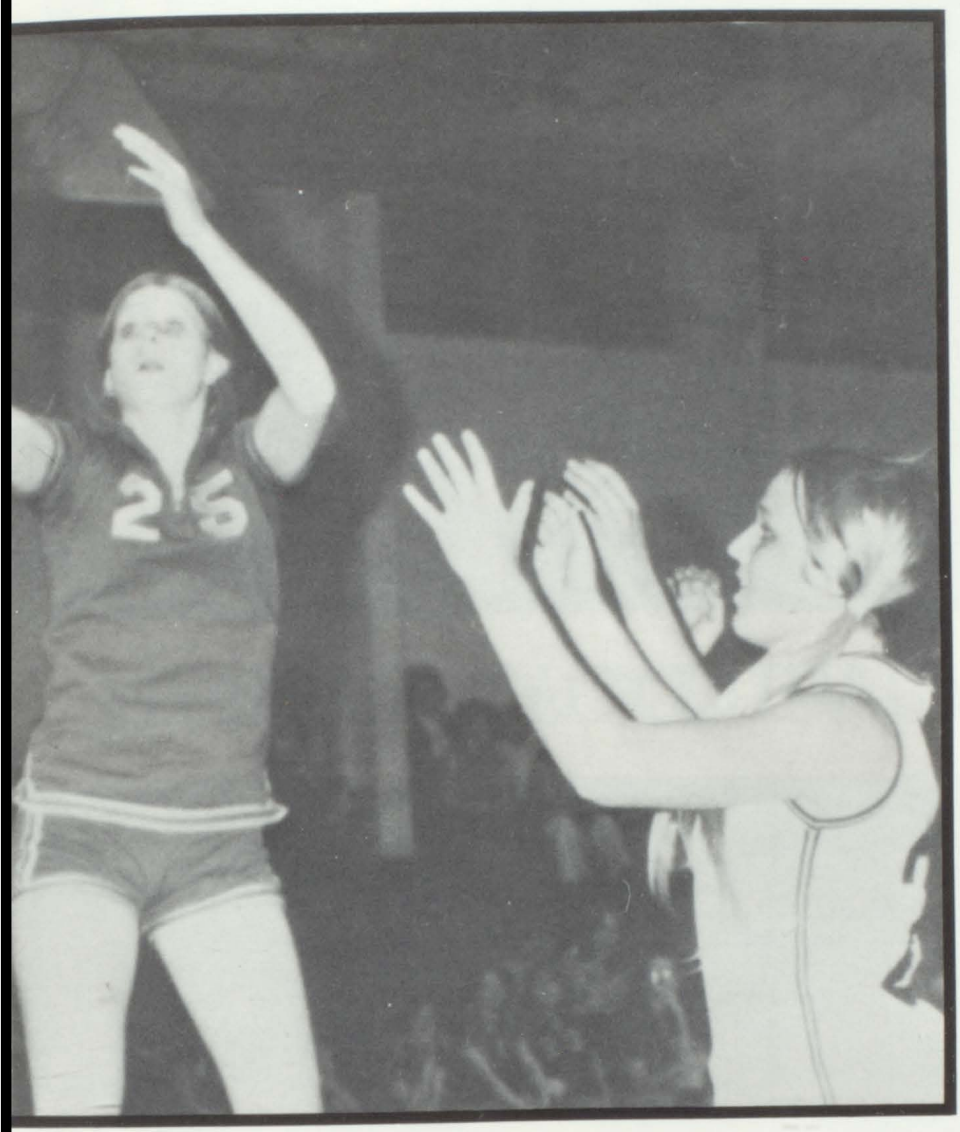

The Wildcat athletic program for the 1975-1976 campaign began in August. This was football spring training and excitement for all. Yet the football season came out a little dismal and basketball season rolled around.

This was already looked upon as the year for our varsity girls. Although there were not any seniors starting, the team had more overall experience than it had for years. Things looked exceptionally well when we began the year with an usped victory over Mansfield, a top notch AAA club.

Things carried on well. Our girls won a consolation trophy at Mansfield

Playoffs
For The 1975-1976 Year

and a second place trophy at Red Oak followed. Then they opened up the district season with consecutive victories over Keller, Crowley, and Springtown before Granbury entered and our first district loss followed. The team continued on to beat Joshua, Lake Worth, and Alvarado to tie for the championship in the first half of district play.

This put us here in the district play-offs where a hot first-half gave us a 19-17 lead and a cold second half handed us a 13-point defeat. This put us out of the play-offs, but the manner in which they conducted themselves on and off the court certainly was first class.

JANA JOHNSON SWEETHEART

The Wildcats started the season with high hopes and a bright outlook. A tie with Blooming Grove in the first scrimmage even-sharpened our optimism. But Ft. Worth Christian ruined the season opener, 14-8. Yet two straight victories (Boyd 20-0 & Grandview 6-0), and 10 consecutive scoreless quarters kept the hopes high for district. This started and ended with Granbury, 41-0. This brought on a great demoralization and bad things began to happen. Key injuries crippled us against Alvarado, 26-0. A second half rally caused a 21-19 bumble against Springtown, Joshua tripped us 16-6, and a blocked punt caused a 24-7 Keller bobble. Returns gave Crowley a 35-22 Victory and Lake Worth ended a disappointeng season, 34-12.

The Kennedale Wildcat Marching Band, ranking last among AA bands at the beginning of this year, struggled to attain their best possible half-time show. This set the scene for what seemed the impossible. And so for the first time in 10 years the Band, directed by Mr. Steve Nickel received a 2nd Division and a Best in Class Trophy at the Palestine Marching Contest.

BE SURE AND WATCH FOR THESE COMING ATTRACTIONS

Senior Class Prophecy

As we go down the long and winding road we take a view of the Seniors of 1976.

Our journey starts out with the traditional couples.

In the distance we see JUDD TULL in his old white mustang speeding happily along giving the curves heck.

DONNIE LATIMER is on the football field at half-time signing a peace treaty with Janet. As we narrow in on the conversation we hear Janet ask, "Will it last this time, Sweetie?" In reply we hear Donnie bellow, "We will if you put out that cigarette."

Now we see ROD PISTOKACHE, a very wealthy man these days. He teaches rain-dancing while Pat holds the umbrella over him. But we all know that "Super Chief" is all wet anyway.

As we look on we see DEBBIE SHELLEY, "The Lucky Lady", making her way through numerous beauty pagents, until she comes to the Miss Universe pagent, which she graciously declines so that she & Mitch may revisit her old friends. Loyalty above all.

Dear sweet DEBBIE "TOO TALL" JOHNSON will soon be wed to dear ole Allen. Her basketball career will make her filthy rich. She, Allen, and her own homemade basketball team will eat only at the finest places. Chip-in and Taco Bell where she will order a burrito & some olives.

KAY CONASTER is the head of Mitchell's Dept. stores and holds the record for sales. Kay's motto is "Take Stock in BOB!"

BETH "BERTHA" EVANS will be on T.V commercials. She will use her megaphone and will sing "Where have you been Billy Boy, Billy Boy," while the producer is fixing her cheerleading suit.

We now see that MONICA WARREN and Richard are driving down the long and winding road together. She and Richard are very close but she deep down she still has a heart of black . . . Oak Arkansas, that is.

CONNIE GOGGANS has turned goatroper on us and has roped ole Rick. She will be seen at all of the Little Britches rodeos and she specializes part-time in overhauling worn out Tonka Toys.

We see VICTOR HARVEY now enrolled in Carleen's Kissing School. This makes his 5th year but he's still failing. Is it because of his quivering chin or his teacher?

Looking down the road a ways, we see DEAN SMITH on the side of the highway in his old yellow truck, while his wife Jan is making a minor overhaul under the hood.

TWILA ROULSTON in the near future will marry Bill. She will live a happy life riding her Harley Davidson everywhere she goes. She will always be the same happy, smiling and helpful person she is today.

10 years have past in search of our high school friends. We find a beat up old yellow mustang, Occupant? Regina Harrison. Now having 12 kids...alias that new rock-n-roll band "The Seagulls." She travels with her hubby, Don booking them at all of the local ZEWS.

RANDY TUGGLE is seen still waxing his car, and taking joke lessons from Douglas Polly.

We look forward to the year 1980. We can see Johnny "Cotton top" Jones playing for the New York Knicks driving his old primed up "55" down the streets of "Broadway."

MIKE MATHEWS finally graduated at age 65. He is wheeled up to the altar by the only person who'd go riding around with him.. Who is she? Only his mechanic knows for sure.

At the end, we see bow-legged Thresa Cunningham in the sunset riding high in the saddle of a horse going 5 m.p.h. while her mouth is going 90. She's still looking for that silent someone who will listen to her at least half the time.

Good Luck Seniors, and We Bid you Adieu.

Seniors "77

In five years we see CINDY BABBITT married to Ricky, teaching her children to become bow-legged Drill Team Lieutenants.

We see that CECIL BEDFORD has been selected "Janitor of the Year" of K.H.S. He holds the record for cleaning gyms and has gained 350 lbs. He says, "I owe it all to my loving wife and this delicious lunchroom cooking."

Checking up on our latest statistics of our graduates, we see that KATHY LUTTRELL TAYLOR has made the Guiness Book of World Records. It is recorded that she has given birth to 73 within 10 years of marriage.

Now starring in her own TV show, "The Tattle'Tale of KHS is GENEVA GALE, guest starring Dean Smith, and co-starring her hubby Scotty.

DUSTY CURRY is a liberated man. His wife is working while he is at home doing the cooking. His motto: "A man's place is in the kitchen."

LILA ROULSTON will be seen rushing around trying to get everything done. Although she says that she will never get married, we all know that one day she will find the right guy.

TODD "GOOSE" MORGAN has replaced Hugh Hefner as "playboy King." As a part time job he sells goose feather pillows.

SAMMYE ROUNTREE will be elected Playboy's 1986 "Pet of the Year." She will have a chain of Kennedale Nursing Homes from coast-to-coast. As the picture fades in, we see her in her Wildcat suit talking to one of her patients. She is saying, "2 bits, 4 bits, hey 6 bits a dollar. I'm gonna give ya' a shot and ya' better not holler!" Yea!

And now we see our all around cowgirl CINDY HUGHES "Riding her thumb to Mexico" searching for her man "Johnny Rodriquez."

We see CHARLES "BRAINS" WAITS valedictorian of K.H.S. still working hard at Sammye's Barbecue. His lifetime dream has almost come true: being head fry cook there. He just recovered from a nervous breakdown after trying to outsmart a computer.

DEBBIE STRICKLAND is still seen working at Mott's working her heart out waiting for that huge raise of 2¢.

DAVID SWINEY has finally been named President of Buddies, but has changed the name to "ENEMIES".

DON JERNIGAN is the new manager at Buddies. He is skipping down the aisle singing, "I think I'm going crazy."

MONICA BRANCH has "branched" out and has the Monica Lisa's Beauty Parlor specializing in straightening and dying used hair.

Now we see MIKE KELLEY in the lunchroom teaching the ladies how to make his Taco Bell special "Burritto Supreeme".

Among the workers are the stars. Now we see Most Handsome at K.H.S. Ronnie Jones a famous movie star. He will be seen replacing Cheetah in the old Tarzan flicks.

LE ANN GRIZZARD is seen taking shorthand notes at the latest Z Z Top concert looking for Mr. Right. It's love at first sight . . . for her.

LARRY WALKER will be manager of his own Cloth World. Stitching his way up to President.

OL' JAY "SUPERSTUD" HAAS the Casanova a K.H.S. is still looking for that certa-in someone who will reluctantly consent to go out with him in his flashy "el camino."

Kennedale High School has turned out a different type of celebrity...Douglas Polly doing his ever so famous dance . . . "The Cockroach Stomp."

CHRIS CULTON will be seen riding down the road in his jeep having an overhauled motor to the next ICT competition.

RODGER PEARCE decides to follow the family footsteps by starting his own wrecking yard, Specializing in Nova's. FLASH!! A NEW'S BULLETIN!! We have just received news that Rodger "Big Daddy" Pearce has just won the Indy 500.
